

encouraging education... supporting research...

**Urquhart Memorial Foundation
Small Grant Application**

The mission of the Urquhart Memorial Foundation (UMF) is to encourage education by providing scholarships to eligible students attending colleges/ universities in the state of Pennsylvania. Additionally, we realize that research is a critical part of the education process and therefore we offer small research grant funding for the areas of breast cancer and diabetes.

Funds may be used for travel assistance, research supplies, publication costs OR student support. The **full grant proposal should be no more than four pages including the cover/information page**. Please include your resume/ curriculum vitae of no more than 3 pages to include employment history (10 years), most significant publications from the last 5 years, and the source of current and pending funding (with title, length of funding, and amount).

Please complete the application with information requested below. Be succinct, accurate, and submit no more than four pages, including the cover/ information page.

Applications must be mailed to Urquhart Memorial Foundation 12734 E. Appaloosa Place Scottsdale, AZ 85259-6155, postmarked no later than November 30, of current year. Applicant may also e-mail application to UMFoundation@hotmail.com to be received no later November 30, of current year.

Review and notification will be completed no later than January 15, of following year
